

Palm® Treo™ 500

The Palm® Treo™ 500 is available as one of an extensive range of PDA devices from O2. The Palm Treo 500 smartphone lets your customers say what they want, how they want with phone, messaging, IM, email and web in one simple device.

This stylish, lightweight device combines an easy-type QWERTY keyboard and integrated 5-way navigator with a host of multi-media capabilities.

Supporting Microsoft® Windows Mobile 6.0™, the clear colourful screen lets you send and receive push emails in real time, view attachments and browse the Internet wherever you are.

Designed for...

Business customers who want a powerful all in one device for phone, email, viewing attachments and fast Internet browsing.

A bit more detail

- Supports Microsoft Windows Mobile 6.0 to provide direct push email in real time
- Easy connection to personal email services like AOL, Gmail, Hotmail, and Yahoo!
- Large 2.4" high-resolution colour screen
- 2.0 megapixel camera & video capture to playback or share via MMS or email
- Access to Google Maps
 - Keep organised with the Palm Treo – incorporating Planner with address book, calendar, to-do lists and more
- Windows Media Player Mobile – for music and videos on the move
- True world phone – works with GSM/GPRS/EDGE/UMTS networks worldwide
- SMS/MMS with chat-style view and new dedicated inbox
- Integrated Wireless LAN, combined with 3G/GPRS, to provide high speed internet access while on the move
- Integrated QWERTY keyboard with LED backlight.

A few great reasons to have the Palm® Treo™ 500

- A powerful communications device that combines both voice and data to suit most mobile business needs
- Includes a comprehensive range of familiar Microsoft Windows tools, including mobile versions of Microsoft Office (Word®, Excel® and PowerPoint®)
- Pocket MSN Messenger and Built-in PDF viewer
- Bluetooth® enabled – works with inbuilt wireless car kits and headsets
- Easy to use with one handed operation and fewer key strokes
- 150MB of memory, expandable with microSD expansion card
- Talk for longer, up to 4.5 hours with a standby time of up to 240 hours
- Thanks to built-in security, you can confidently carry your files with you.
