Directions to Car Park

axisfirst has very limited car parking facilities but a space can often be made available for visitors, by prior arrangement only.

To reach the car park, follow the appropriate set of directions above, up to and including step 5.

At the mini roundabout (monumental masons on right hand side), turn left into a one way street, Friar Street. After approximately 100 metres, pass the Royal Mail sorting office on your left and take the next right into a second one way street, Silver Street.

After less than 100 metres, there is a narrow opening on the right hand side, under an archway, into the **axisfirst** car park. Those spaces available for **axisfirst** parking are labelled on the ground.
