The print cartridges are part of the Xerox Green World Alliance Supplies Recycling Programme. For more information, please visit the Green World Alliance web site at www.xerox.com/GWA

Affordable, speedy and ready for business

Outstanding value.

With the Xerox Phaser 3150 laser printer, you get so much – for so little.

- A print speed of 20 ppm. Plus, the first page appears in 10 seconds – perfect for getting ahead of business.
- 32 MB of memory. It tackles large documents with ease.
- A *laser* printer for less? With such great features, you'll wonder how we keep it so affordable.

Convenience built-in.

Everything about this printer is easy – printing, loading, customising – even finding a place for it is effortless.

- Offers N-up, watermark and poster printing, so you don't have to go elsewhere for custom print jobs.
- Tired of reloading paper? Its deep 250-sheet tray and 50-sheet multi-purpose tray let you spend more time printing and less time loading.
- From envelopes to note cards, it supports a wide range of media and sizes.

Exceptional quality.

The last thing you want to worry about at work is how your printer is going to perform. So don't.

- With 1200 dpi image quality, you can expect professional results every time.
- It's incredibly well built. Just consider its 15,000 page per month duty cycle.
- Quietly confident. We're so sure you'll love it, we back it with a one-year on-site warranty.
